Dear Dr. Peng,

Thank you for the time and expertise that you have given as a member of the College of the Sciences and Mathematics Research in Mathematics and the Sciences (RIMS) Award Review Committee at West Chester University. Your dedication to the committee during the spring 2020 term made a difference and your support is much appreciated. Your ideas, input, and enthusiasm were most helpful and have assisted us in making the proper decisions for the awarding of the RIMS grants.

The hard work and dedication you've given to the College of the Sciences and Mathematics, both as a faculty member and as a member of the College of the Sciences and Mathematics RIMS Award Review Committee, has been an invaluable resource and we are grateful for your continued support.

Sincerely,
